Mark your calendars for the evening of **Saturday, November 9, 2024**, at the **Silverwood Park** for the next chapter of the Mounds View Schools Education Foundation's (MVSEF) long-standing fundraising event, **Rock the School House!**

This event, synonymous with fun, is also the MVSEF's primary source of revenue - the more money we raise the more our students benefit! We hope you will consider joining others across our communities in sponsoring this year's event.

For over 35 years, our sponsors and donors have created an impactful legacy that has benefited generations of Mounds View district students. Our supporters have increased access to school-owned music instruments, STEAM lab materials, distance learning technology, StarLab science education, career and college planning resources, and scholarships, to name only a few. Thank you for your support!

Please refer to the opposite side of the page for Sponsor Benefits. If you are interested in learning more about these options, please contact Mindy Handberg.
