Interested in volunteering?

RTSH Event Co-Chairs -- ***Shelley Diffley and Mindy Handberg*** - are bringing together community volunteers to help coordinate this year's amazing event, which takes place at Silverwood Park in St. Anthony.

There are a number of opportunities to match anyone's skill set, including: **event logistics, communications, games & entertainment and a solicitor of live and silent auction (don't worry there will be prizes for volunteers who bring in the "best" items)!**
